

Bogged down by the small stuff?

Sage Benefit Advisors can help.

HRconnection® is a virtual HR assistant, providing access to an easy-to-use employee portal that checks all of the boxes of a paperless enrollment platform, and then some. We know that your employees' needs extend beyond open enrollment season, and HRconnection® is here to help by providing a centralized location for employee communications, vacation tracking, life event management, and handbook, policy and resource storage. Furthermore, it goes above and beyond to streamline onboarding and ongoing HR task workflows, freeing up your time to worry about the stuff that matters—growing your business.

Features:

Streamline onboarding

- Virtual onboarding assistant
- System-generated tasks for employees

Centralize communication

- Companywide communication platform
- Vacation and paid time off tracking

Provide paperless enrollment

- Simple election experience
- Plan decision support
- Election submission with e-signature
