

GET FINANCIAL HELP

for your health coverage

We're here to help you figure out what kind of financial help you might qualify for and how to get started with the sign-up process.

STEP 1: Figure out **how many people** are on your federal income tax return with you (this is your **family size**).

STEP 2: Add up your family's gross **monthly income**.

Before we figure out the financial help you could get through Connect for Health Colorado, check if your family qualifies for **health care coverage through Health First Colorado (Colorado's Medicaid program)** or the **Child Health Plan Plus (CHP+) program**.

Family Size	Health First Colorado (For adults 19-64)	Health First Colorado (For children 0-18)	Child Health Plan Plus (For children 0-18)
1	\$1,437	\$1,530	\$2,759
2	\$1,945	\$2,072	\$3,734
3	\$2,453	\$2,613	\$4,711
4	\$2,962	\$3,154	\$5,687
5	\$3,470	\$3,696	\$6,663
6	\$3,978	\$4,237	\$7,639

Do you make more than the amount in the chart above?

-  **Yes.** You might qualify for **financial help through Connect for Health Colorado**. Move on to Step 3.
-  **No.** You or someone in your family probably qualifies for **Health First Colorado or Child Health Plan Plus**. Apply for these programs, and learn the full qualifications for Medicaid programs, at [Colorado.gov/PEAK](https://colorado.gov/PEAK).

STEP 3: Add up your family's gross **estimated annual income for 2020**.

Based your family size and estimated yearly income, check if you could qualify for **lower monthly costs (Premium Tax Credits)** and **health care discounts (Cost-Sharing Reductions)**.

Family Size	Lower monthly costs & lower out-of-pocket costs	Lower monthly costs	Do not qualify for financial help*
1	\$17,236 - 31,225	\$31,226 - 49,959	\$49,960 and above
2	\$23,335 - 42,275	\$42,276 - 67,639	\$67,640 and above
3	\$29,435 - 53,325	\$53,326 - 85,319	\$85,320 and above
